

James E. Bodley, Sr.

James “Bud” Bodley was an active participant of both, Big Brothers Big Sisters of Mercer County, as well as Lambda Lambda Sigma Chapter of Phi Beta Sigma Fraternity, Incorporated. Living to give and assist others, he worked on numerous outreach projects that provided resources and services for urban youth. He maintained a healthy spirit for all things sports -- especially golf. With these things in mind, we present the annual tournament in his honor. Thank you for your participation in this event!

Big Brothers Big Sisters of Mercer County

Big Brothers and Big Sisters of Mercer County helps children achieve their highest potential as they grow to become responsible men and women. The agency achieves this mission by developing one-on-one relationships between adult mentors and children, and by providing quality volunteer and professional services.

Phi Beta Sigma Fraternity, Incorporated

Phi Beta Sigma Fraternity, Incorporated was founded January 9, 1914 in Washington, D.C., based on the principles of brotherhood, scholarship and service. On a local level, Lambda Lambda Sigma Chapter holds tight to the organization motto of “Culture for Service and Service for Humanity” by contributing to youth scholarship awards and working with the Boy Scouts of America among other activities.
